No ID or insurance is required to receive a COVID-19 Vaccine and you will not be charged today. Patients who do have insurance, your insurance company will be billed.

We may be asking you to share:

Your insurance policy information

- Your insurance plan will reimburse us for your COVID-19 immunization administration.
- The payments are used to support these special COVID-19 clinics.

Your Medicare Member Benefits (MBI) number, even if you are covered under an Advantage Plan

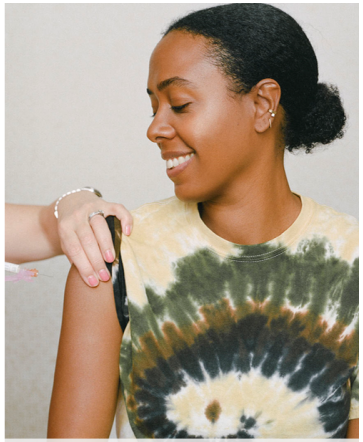

- If you have Medicare coverage, we need your MBI to bill Medicare
- If you are covered under an Advantage Plan -- Medicare is requiring doctors submit COVID-19 claims directly to Medicare and NOT to the Advantage plan. We need both your current MBI and your Advantage Plan policy information.

Social Security Number, Driver's License Number and State of Residence

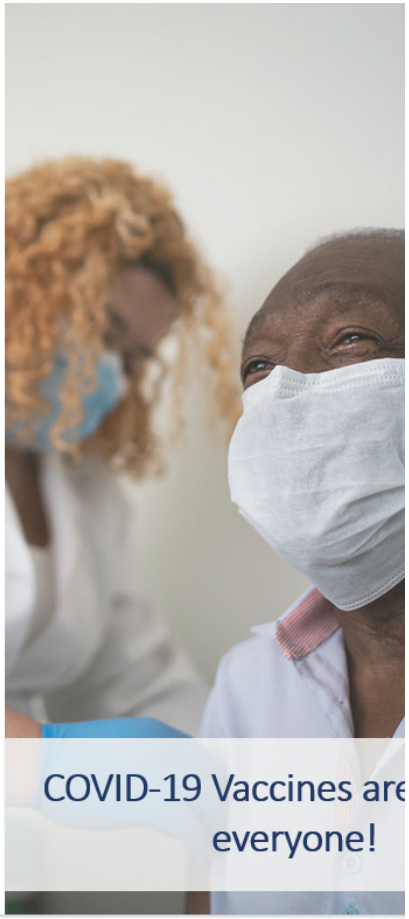

- If you are covered under Medicare, your Social Security Number will allow us to look-up your Medicare Benefits Number.
- If you accidentally made a typo entering your insurance policy, your SSN will allow us to look up your insurance coverage
- We need your SSN, Driver's License Number and State of Residence in order to bill a Federal program for the uninsured, if your policy has lapsed or if you don't have insurance.

You will receive COVID-19 Vaccine today if you do not have any insurance or can not provide the information requested.

Please help us: When registering in our system, please enter all your personal and insurance information carefully.
