

Getting and Reporting COVID-19 Vaccine

How to get vaccine

- ADHS COVID vaccine provider onboarding system [Link](#)
- Employers requesting vaccine clinics: HEOC_vaccine@azdhs.gov

Where to report covid-19 vaccine doses given

1. National Vaccine Finder Provider registration [Link](#)
2. AZ State Immunization Information System: patient records and inventory management
Telephone No.: (602) 364-3899 or 1-877-491-5741
E-Mail ASIIS: ASIISHelpDesk@azdhs.gov
Web: <https://asiis.azdhs.gov/>
3. County Health Department [Links](#)
4. Daily Email from ADHS with link to report doses given and appointments coming up

What if my EHR doesn't let me sign up non-patients

- Vaccine Management System (VMS): Contact your county health department about using the state VMS for clinics. The VMS will report doses to ASIIS but you will have to pull the data out in order to bill insurance.
- Clinician Guide to patient portal [Link](#)
- Help Desk 602.542.1000.

How to bill for the vaccine

You can bill for patients outside your practice, the uninsured and health plans you are not contracted with. AZ COVID-19 Vaccine billing guide [Link](#)
