Immunization Services

IMMUNIZATIONS

Immunizations have proven to be the most effective way to stop the spread of disease. We offer immunizations to children and adults in Maricopa County at our standing clinics and at scheduled community events. Anyone with or without insurance is welcome.

Appointments are required at our standing immunization clinics by [bookings online](https://maricopa.gov/immunizations) or calling 602-506-4767.

IMMUNIZATION CLINICS
Our immunization clinics offer free vaccinations Monday-Friday by appointment.

COMMUNITY EVENTS
Free vaccination clinics are hosted at various locations on specific dates and times.

Online Patient Scheduling

BOOK AN APPOINTMENT ONLINE

Use our online booking system through Redox to request an appointment for immunizations, sexually transmitted infection (STI) testing or research, or laboratory (LDT) services.

Please read the following information before making your request:

What to know before you book:

- Choose the service and visit type that best matches what you need.
- Provide accurate and complete information, including:
 - Full name
 - Date of birth
 - Current information for phone number and email address
- Book only one appointment for the same visit. Choose the location and time that work best for you. Do not create multiple bookings.
- For same-day appointments, choose a time at least three hours from when you submit your request.
- To repeat or reschedule, call the clinic.

When you arrive for your appointment

- You must arrive 15 minutes early for check-in and paperwork.
- Bring necessary documents to your appointment:
 - A valid ID
 - Insurance card (if using insurance)
 - Any relevant medical records

Important: Online appointment requests are not automatically booked.

- Your request must be valid while our team reviews your request. You will receive a confirmation notice once your appointment is approved.
- Requests submitted after hours or on weekends will be reviewed the next business day.

After you request an appointment

- Check your email for a confirmation notice.
- If you do not receive confirmation within one business day, call the clinic.
